

ARAG® Legal and Senior Advocate Plans Attorney Finder Instructions

ARAG Attorney Finder

You can obtain a list of Network Attorneys by using the ARAG **Attorney Finder**. This easy-to-use online tool creates customized provider lists based upon factors you enter. ARAG is continuously updating our attorney data, so you receive the most current information.

And when you log in as a member to the ARAG Legal Center, the Attorney Finder contains expanded information about each attorney, including license(s), education, experience, areas of practice and contact information.

To create a list of Network Attorneys

...if you are considering becoming a member of the ARAG Group Legal Plan:
